

## 944 Parts in Los Angeles

Posted by techniker - 06 Oct 2017 11:11

---

Hi Guys

I just signed up for this site. I have parted out several 944's and I have thousand plus parts at my shop.

I have a complete 86 944 that's getting parted shortly if anyone needs anything.

All kinds of parts available, suspension, control arms, trailing arms, wheels etc

1988 Engine without head \$850

NA Head Good \$250

NA Head Some Bent Valves for rebuild \$150 x3

Cam Tower bare \$50

Cam NA \$100 x3

Bare Blocks NA Both Late and Early (need sleeving possibly) \$100

1986 NA Short Block (w pistons, crank etc) \$500

Front Control Arms Aluminium Early and Late offets \$75 ea (needs rebuild possibly)

Trailing arms (bare) Late and Early offset \$100

Transmissions NA \$250

Transmissions 944S 16V \$350

Phone Dials early offset 15"; Set of 4 wheels \$250 obo \$75 ea. I have two good sets and at least 4 extra wheels that need some attention.

15"; Early 928 Wheels.

Steel Spare Wheels \$125 ea

Fenders \$75 ea

Hood \$50 ea

Taillights \$50-75

I have lots, let me know what you guys are interested in. Most of my parts, minus the blocks, trailing arms, control arms etc are in my ebay store

I do. which set? I have phone dials, early offset and early 928 phone dials and boxer S wheels.

I'm out of the country for the holidays but back on the 29th.
