Guys and gals,

I'm very excited to announce our newest partnership with Track Monkey Apparel!

Track Monkey Apparel specializes in making funny/clever/cool shirts for track-monkeys like ourselves, and are a dealer for the awesome Lum-Tec watches.

Not only are they supporters of our great series, they also campaign their very own 944!

Track Monkey Apparel has agreed to sponsor our Eastern and Western National competitions! Further details will be officially released on this later.

Additionally, Track Monkey Apparel is now offering this new 944-Spec line of apparel! They are available in 2 styles of short-sleeves, one long-sleeve, and one hoodie. The hoodie and 2nd version of the short-sleeve will only be available for a limited time so make sure to get yourself a couple!

944-Spec members are being offered a special discount on everything on their site by entering the code "944SPEC" (make sure you use all caps).

Looks like a bunch of colors were added as options if you didn't want a black shirt with a red logo.
