

## NASA-MS @ Barber

---

We have a good bit of time until Barber with the Mid South crew but based on some chatter at the last Road Atlanta event, it's sounding like we may have a nice sized field out there. The event isn't until the end of October but I'll kick this off with a roll call of drivers in hopes that those with a soft commitment might fold to peer pressure...

I think we also need a few more 'Brians'...

And to make it even more confusing there will Manny Moody, Brian Hurley, and Manley Hurley there.

Has Manley confirmed he will be going to Barber?

Updated first post with an updated list. we still have some people we can be chasing down but this is looking like it's going to a great event for the 944's!
